President's Message

Happy New Year!!!

I hope everyone enjoyed their holidays and ringing in the new year with family and friends and were able to be in the moment of the holiday spirit. Our club kicked off the holidays with our annual

Christmas party on the 14th which started with a great meal from our amazing cooks, Sandy & Debbie! Thank you! The program continued with entertainment provided by **Lions Bill Dickinson and Mike Radetic** with an eye popping remembrance of Christmas past and a game of prizes. Members then loaded on a trolley to spread Christmas cheer for the afternoon and ended the day meeting with other club members to continue festivities for the evening. A good time was had by all! Thank you, **Lions Bill and Mike** for making the Lions Christmas another memorable one!

In December we also wrapped up another successful gun raffle. Special thanks to **Lions Nick and Bill** for continuing to chair this event.

As we are beginning this new year, I look forward to what our club will accomplish together. While making new years resolutions and goals, I can only hope that part of that for you is to continue to serve our club and community by chairing an event, volunteering for an extra event, or even recruiting a new member or 2. Our club's accomplishments aren't because of 1 individual, it's because of what we can achieve together. I look forward to seeing members we may not have seen in a while and also new members at upcoming events!

In closing, many of you may have noticed that a newsletter did not go out at the end of December. 2021 was a roller coaster for myself personally and as I navigated through the holidays, I needed to shift some additional attention to increased family and work commitments. I do hope that the missed newsletter is forgiven and your understanding is greatly appreciated. Words can't express my appreciation for your continued support in 2021 and into the new year. Thank you!
