President's Message

Hello Lions,

Don't be surprised, but the Washington Lion's Club Newsletter is back in business, thanks to Lion Katy Carter. Given this time of year and the fact that this Lion's Club year is now half over, we set our sights on the Super Bow BBQ and our Spring Activities. First and foremost, THANKS to everyone signed up to work at the upcoming Super Bowl BBQ weekend event. There are plenty of spots that still need help, so please go online to our website <https://lions63090.org> and find a spot that works for you. This event is always fun to work and that fact all of the BBQing will be held at the Elks this year, we will all be together and enjoy Lion's fun the entire day.....**Don't forget to SELL your tickets!!**

A big thank you to Lion Bill and Lion Brian for manning the December Gun Raffle. This event is now held in July and December and we have a waiting list for folks wanting to buy tickets. Speaking of December, if you were not at the Christmas Party, you missed a GREAT TIME. It was the last meeting of the year and we had over 65 Lions and guest.

For those of you who have not been to a meeting recently, the Club is moving forward at a rapid pace. We have donated funds to many well deserving organizations. At the January evening meeting we presented checks to Harvest Table, SFB Food Pantry, St. Peters UCC Food Pantry, and St. John's Helping Hands. At the coming board meeting, there are many other donations that will be discussed. Our Scholarship Committee will be gearing up for the Spring scholarships that we offer. This is not only for college bound students, but technology and skills students as well.

The District Annual Convention this year will be held on April the 5th - 7th at the Double Tree Hotel in Westport. As always, the Hospitality Night will be Friday the 5th. The Club will have our booth near the dance floor and will bring our good cheer along with food to share with other District members. Please check your calendars for this date, we would love to see all of you there.

Let's get together at any of noon Tuesday meetings or the evening meeting on the last Tuesday of the month. We have moved the evening meetings into the big hall at the Elks, due to the growing number of members and guest attending. It's a good thing!

Thank ALL of you for your time as Lions members. As it states in the Induction Ceremony when all of us became Lions members; We are a group of people banded together to do things which you and I cannot do as individuals.

See you soon,

Rick Hopp

President
